The beautiful Nameja Residence in Ranka dambis 5 is the pearl of Āgenskalns; the materials used in its decoration will highlight the moods of nature and with the play of tones will create the feeling of a haven of peace corresponding to everyone's individual taste.

The lightest shades of air and water will be available in the Hygge finish offer, and calm gray tones - in the Urban finish offer, which are included in the price of the apartment. If your range of emotions is satisfied by the warm sand tones - Premium finish offer, then it is worth to enjoy the feeling of luxury at an additional price.
